

## **BUFFALO TRAIL PUBLIC SCHOOLS – Board of Trustees meet with MLA and Partners – NEWS RELEASE – November 10, 2022**

The Board of Buffalo Trail Public Schools collaborates with partners in its governance work and are champions of rural education. On November 9, 2022, the Board had an opportunity to meet with local MLA, Garth Rowswell, Mayor Bruce Pugh, and Bryan Perkins from the Wainwright Rotary Club to discuss shared priorities and advocate for rural education. The Board supports and promotes rural education at every opportunity. This was a great opportunity to ensure that our education partners are aware of our successes and also our challenges. During the meeting, the attendees had an opportunity to hear about the Board’s #1 Capital Plan priority which is a new elementary school for Wainwright. Our Capital Plan is on our website under Reports. The Trustees also shared many celebrations of our BTPS students. The Board had an opportunity to express its gratitude to the MLA for the government’s funding of the Transportation Fuel Subsidy that has been passed along to BTPS bus contractors during this difficult economic time.
