

BUFFALO TRAIL PUBLIC SCHOOLS – BTPS and Lakeland Collaboration

NEWS RELEASE – February 7, 2023

February 3, 2023, BTPS and Lakeland College kicked off the beginning of new opportunities for students by celebrating the dual credit courses now offered to BTPS students. This semester, the collaboration between the two organizations allows BTPS students a chance to earn high school credits and post-secondary credits which prepares them for a smooth transition to higher education and potential careers.

To kick off this exciting partnership, a big event was held with students, staff from both organizations, and the Board of Trustees in attendance. During the event at Lakeland Trades Centre in Vermilion, students had the opportunity to learn more about the dual credit program and how it will benefit their future educational and career goals, as well as tour the campus.

Both BTPS and Lakeland are committed to providing students with a high-quality education that prepares them for success in their future careers. We believe that our partnership provides a unique and valuable opportunity for students, and we are excited to see the positive impact it will have on their lives. It is an amazing opportunity outside of the high school classroom.
