Buffalo Trail Public Schools is committed to maximizing student learning, in a safe and caring environment, supported by a highly effective team. As part of that commitment, BTPS continues reaching out to educational stakeholders assuring the educational program, sharing results, and seeking input on direction.

To gather diverse perspectives, BTPS recognizes the importance of involvement from parents/guardians, students, staff, school council, and community members. Each stakeholder group contributes unique experiences crucial to obtaining a complete understanding of how BTPS is meeting needs.
