Re: Stakeholder Engagement 4-Year Plan Online Community Focus Groups

Dear BTPS Families and Stakeholders,

Buffalo Trail Public Schools is committed to maximizing student learning, in a safe and caring environment, supported by a highly effective team.

As part of that commitment, BTPS continues reaching out to educational stakeholders assuring the educational program, sharing results, and seeking input on direction. Parents/guardians, students, staff, school council, and community members all have unique experiences, and we need representation from all these stakeholders to get a complete understanding of how BTPS is meeting needs.

The 2023-2027 Education Plan highlights three priorities:

1. Supporting Learning Success for All Students
2. Fostering Safe & Caring Learning Environments
3. Building Strong Collaborations

The purpose of this engagement is to:

- Share with stakeholders the highlights of the Annual Education Results
- Check-in on direction around strengths and challenges moving forward
- Identify areas of focus for 2025-2026

Educational stakeholders are invited and encouraged to attend one of the following meetings that best fits their schedule.

Monday, February 3

Tuesday, February 11

Thursday, February 20

Wednesday, February 26

All meetings will be held online from 7:00 pm to 7:30 pm. Please go to [www.btps.ca](http://www.btps.ca) to access the link to join.

We hope to see you online and share the exciting work of BTPS' staff and students!

Sincerely,

Michelle Webb

Superintendent
